David Rodriguez, CHt - “Use of Hypnotherapy for Improving Relationship Issues - See Love, Live Love, Be Love”

Bring Your Friends! Demonstrations are included in David’s presentation. We invite you to volunteer to be a subject.

The following is an email sent to ASPH President, Robert J. O’Connor, after the January 2013 meeting, which David Rodriguez attended:

Good morning Robert,

First, I want to thank you for your kind comments on my behalf. I enjoyed the meeting very much and is good to see an association be vibrant such as ASPH. Of course, it has to be acknowledged that the association is a reflection of the Board. Kudos to all of you.

When you mentioned your work with the law enforcement in Chicago, it reminded me of one of my doctoral courses that I took. The name of the class book is *Hypnosis and The Law*, by Dr. Bradley W. Kuhns. As a matter of fact, last night as result of the meeting, I was thinking of two other doctoral classes. The course book for one of them is *My Voice Will Go With You -The Teaching Tales of Milton H. Erickson*, by Sidney Rosen in which Erickson teaches a woman how to become orgasmic. The other course is by two former medical employees of the VA who you might know, Sonja Benson who worked out of the VA hospital on 7th St. and George Gafner out of the VA in Tucson. The course book is *Handbook of Hypnotic Inductions* and due to their background therer is much information on PTSD (Post Traumatic Stress Disorder).

Robert, my commitment and life mission is to be a "healer". Hypnotherapy is the modality for the 21st century and as stated in the Warrior Monk website, the primary allegiance is to the planet or in other words, to the human race. I affirm: See Love, Live Love, Be Love. Be blessed and in advance, thank you for being who you are.
