On ASPH meeting nights at 6:30 P.M., Sam Sterk has created a mentoring program for members who have questions about hypnosis or need help finessing their hypnosis skills. Any member may join in the discussions. We have several newly certified hypnotists/hypnotherapists who have joined ASPH and would like help from the more experienced members of our group. If you are willing to educate and mentor, it will be appreciated. We hope to see you!

---

A private discussion group for ASPH members has been organized by Tom Hajek at [asph@googlegroups.com](https://www.google.com/groups). Any ASPH member may comment, post, and participate in discussions.

---

To help grow your hypnosis/hypnotherapy business, Robert O'Connor and Carol Adler suggested this link – <http://arizonaguide.com/events-calendar> - for ASPH members. It is a monthly calendar of Arizona events that you may want to attend and hand out your business cards and meet people.

---

I have tons of hypnosis and psychology e-books that I have collected through the years. Included are Hypnotherapy by Dave Elman, the entire works of Milton Erickson and literally hundreds more. Everything by Bandler and Grinder.

I was going to sell the e-books for 4/\$20. If you would like my full title list - I'll be more than happy to send it over to you. Even though I'm now in Utah - I can e-mail the books in perfect PDF format and can accept payment through Paypal. That simple and easy.

Thanks!
