Dr. Edwin Bebee - "Brother, can ya paradigm?"

From Dr. Bebee: "In 1975, Dr. Edgar A. Barnett, MD, wrote that the description of the actual process of hypnosis boils down to just four words. This, despite the fact that *no one* knows exactly *what hypnosis is*.

"Dr. Barnett's view helps our hypnotic clients to understand not what hypnosis is, but how it works. In my view, this greatly facilitates primary and subsequent hypnotic inductive process. It also assists our clients in learning self-hypnosis.

"Attendees will learn the importance of Bebee's Corollary to Barnett's Hypothesis.

"(It can be argued that one of the four words is incorrect or at least partially so.) Do come and see if you agree with this perspective. See you there, 3/6/12."

Dr. Edwin M. Bebee, DCH is a board certified hypnotherapist and a Fellow of the National Guild of Hypnotists. He is also a nationally certified hypnosis instructor and has been creating positive change in the lives of his clients since 1992. Those changes occur at a subconscious level, making the transformation pain-free and long-lasting.

"At Arizona Clinical Hypnosis, we provide support for all issues that may hinder your health and have plans in place to ensure you get the very best care and treatment possible. Most clients will see results in just three to six sessions."

A private discussion group for ASPH members has been organized by Tom Hajek at asph@googlegroups.com. Any ASPH member may comment, post, and participate in discussions.

Starting at 6:30 P.M. on ASPH meeting nights, any member may join in to help or receive help with their hypnosis skills or questions. We have several newly certified hypnotists/hypnotherapists who have joined ASPH and would like help from the more experienced members of our group. If you are willing to educate and mentor, it will be appreciated. We hope to see you!

To help grow your hypnosis/hypnotherapy business, Robert O'Connor and Carol Adler suggested this link – <http://arizonaguide.com/events-calendar> - for ASPH members. It is a monthly calendar of Arizona events that you may want to attend and hand out your business cards and meet people.

I have tons of hypnosis and psychology e-books that I have collected through the years. Included are Hypnotherapy by Dave Elman, the entire works of Milton Erickson and literally hundreds more. Everything by Bandler and Grinder.

I was going to sell the e-books for 4/\$20. If you would like my full title list - I'll be more than happy to send it over to you. Even though I'm now in Utah - I can e-mail the books in perfect PDF format and can accept payment through Paypal. That simple and easy.

Thanks!
