In collaboration with past ASPH president, Don Rice, she is co-owner of KissHypnosisScripts.com (a leading source of downloadable scripts for professional hypnotists through novice,) HypnosisAudioSite.com (offering complete downloadable motivational and self-hypnosis audios for anyone seeking help at the click of a mouse) and sole-owner of [Arizona Family Hypnosis](http://ArizonaFamilyHypnosis.com). Presently, Sandi Graves specializes in the new revolutionary weight loss program she helped to develop, called GastroBandHypnosis.com.

Sandi's workshops are always full of interactive demonstrations and her passionate and energetic style will ignite your desire to become the best that you can be.

Did you read “interactive demonstrations” because that is exactly what you will be doing.....DOING a rapid induction. We may even have a couple of guest presenters. Don't miss this fun, educational and informative “hands on” presentation from your ASPH Vice President, Sandi Graves, BCH.

During this 50 minute demonstration from Sandi Graves you will be able to:

- **Practice and learn how to do 2 rapid inductions**
- **Identify the 3 basic types of inductions**
- **Describe what rapid inductions are**
- **Observe others' techniques**
- **Determine when to use and when not to use rapid inductions**
- **Learn the reasons for using rapid inductions in your office**

- Hear the advantages of using rapid inductions in a clinical setting

Becoming proficient in rapid inductions will enhance your hypnosis practice by saving time, creating mental expectancy and increasing your skills in hypnotism. With this interactive presentation, you will see how you can easily move past the client's critical factor, helping them to quickly enter into a deep hypnotic trance.
