Transpersonal Hypnotherapy

David Rodriguez

David Rodriguez probes and practices what the late Dr. Allen Chips stated so well; “The word transpersonal means the crossing of body, mind, and spirit. It assumes that humans operate on all three levels, or that the mind, body, and spirit of an individual affect each other. Because human beings are of spiritual origin, this important component of the therapeutic paradigm should not be over looked within the practice of hypnotherapy ... Transpersonal hypnotherapy is a frame of thought in the field of hypnotherapy that embraces the clinical aspects of hypnosis, but also adds the client’s higher dimensional realities to therapeutic interventions when deemed appropriately beneficial to the client.”

There is plenty of evidence that the Transpersonal Hypnosis approach is real. According to various teachings, we have been created in the image of God. God exists within each of us; therefore, we have the inherited power to transform ourselves and to raise our awareness to a higher level to mitigate long and short term psychosomatic issues. He is a firm believer that each client that comes through the door is there by way of a higher will from the creator, or higher-power forces. The Transpersonal approach as stated by Dr. Chips ... emphasizes that the “body, mind, and spirit affect each other, and hypnosis is the primary catalyst.”

Bio

David Rodriguez is a PhD candidate at the American Holistic University, Doctorate in the Philosophy of Hypnosis. He is a Certified Transpersonal Master Hypnotherapist. David is a life time student of metaphysics and is committed to being a conduit for healing. In his book, David talks about his personal experience in the use of hypnosis and Transpersonal hypnotherapy to expand human potential while describing the many problems and challenges his clients have had and, at the same time, he gives us a non-dogmatic spiritual point of view. The book publishing date is August of 2015. David holds a bachelor degree in accounting from the University of Arizona. He served in the U.S. Air Force and worked for the U.S. Treasury Department.

Dear ASPH Members –We have a CONTEST and YOU can WIN MONEY!!

Our president, Lew Heller and vice-president, Kate Ellis have initiated a contest for ASPH members. Write an educational BLOG of 500 words or more discussing some aspect of **hypnosis/hypnotherapy** for the ASPH website and you just might win \$100. The winner will be announced at the Holiday Party in December.

Our ASPH website has been developed to be an educational tool for both hypnotists and the general public wishing to know more about hypnosis.

Education for hypnotists/hypnotherapists is of course, essential. The more we share our expertise in our field with one another, the better able we each are to help those who come to us for guidance.

Educating the public about hypnosis will help to build our profession stronger and make it more acceptable to the world.

So, get your pens or keyboards busy writing. You can email, send, or bring Lew Heller, Kate Ellis, Tom Hajek, or Debbi Combs your blog and we will get it onto the website. You just might win \$100 at the end of the year. The real treasure though will be you helping someone who might not otherwise ever understand hypnosis and what a valuable tool it can be in their life.

2015 Holiday Party

Lew Heller, ASPH President has suggested that we have our Holiday Party at the Talking Stick Buffet again this year.

ASPH had their Holiday Party at the Talking Stick last year, and everyone who attended enjoyed the food and atmosphere.

If anyone would rather have the party someplace else, please give Lew your suggestion. Lew wants to reserve wherever we hold the party within the next few weeks to make sure we have a secure location.

ASPH officers would like to have all members and their significant others be able to attend the party, so suggestions are welcome.

Attention All Practicing Hypnotherapists:

If you wish to have your “professional hypnotist” contact information listed on the ASPH website, please send your name, areas of expertise, your website address, business name, city, address and location (cross streets), phone number, email address, and a picture of yourself (optional) to Tom Hajek at info@hypnosis.com. The one-time cost is \$35.00. You can also hand all your information and payment to Tom at an ASPH meeting.

Notes from the Secretary: Debbi Combs

Send all announcements of future events [seminars, classes, presentations, etc.] to Debbi Combs at asphsecretary@gmail.com.

A reminder ... The cut-off date to add event information to the monthly newsletter is the 13th of the month following the last meeting. Please submit your event information on or before that date via email to asphsecretary@gmail.com.

Member Newsletter Announcements should be approximately 1/4 page and ready to cut and paste into the newsletter. All newsletter announcements must be directly connected to enhancing hypnosis techniques and therapies or serve as a support to the business and profession of hypnosis and hypnotherapy.

If you submit anything to be included in the newsletter or on our ASPH website, please make sure you have not infringed on anyone else’s copyrighted material. Permission is necessary from a copyright owner to use their copyrighted material. If we believe information has possibly been copyrighted, we will want to see the permission before we will print anything to our newsletter or website.

A private discussion group for ASPH members has been organized by Tom Hajek at asph@googlegroups.com. Any ASPH member may comment, post, and participate in discussions.

MESSAGE FROM KATE ELLIS

Dear Esteemed members of the ASPH,

As many of you are aware, I have created a professional lending library for the ASPH. Recently, going through a donation, I came across Pattie Freeman's book, and a couple other ASPH members and thought it would be an extra special touch to have a section of the library dedicated to those who have become authors, such as Lew Heller, and Sam Sterk as of recent.

I am asking any member, current, past to consider contributing a signed copy of your book (s). Please contact me with your considerations. Now, it does not have to be a book on hypnosis per se, this section of the library is special celebrating our member's accomplishments within and beyond hypnosis.

I am seeking books on hypnosis and related fields, as well as audio/video/dvd/cd learning tools. Please let me know if you or any of our other colleagues would like to donate their beloved materials. I am particularly interested in Elman books and NGH Conference CD's, I would appreciate anyone who has previous conference CD's to perhaps even donate copies... just a thought.

I look forward to hearing from you. If you have any questions, please feel free to call or write. I am available from 11-11 every day.

Additionally, you can bring your donation to the next meeting to make it easy. I suggest placing a book plate with your name as well with your own book for posterity as well as any other books you may like to contribute for the continuing education and enjoyment of our growing membership.

It will be ready this Spring exclusively for ASPH Members Only.
