## ***The Spirit of Money Mastery***

***Join us in January as Michelle Lee, CH will be discussing the avoidable and debilitating disconnect between money and consciousness that keeps 99% of the population in lack and limitation. During her presentation you will discover your most destructive beliefs about money and begin to clear those beliefs immediately so that you may become more magnetic to money. You will walk away with greater clarity about yourself and your relationship with money and action steps to take immediately to transform your financial circumstances. Consistently taking these steps will shift your financial experience in less than 30 days.***

***If YOU WANT TO TRANSFORM YOUR FINANCES IN 2015, THEN DO NOT MISS THIS MEETING!***

***This is NOT a class on the law of attraction.***

***“I have been studying the power of the mind for more than 20 years and the energy of money for more than 15 years, but until just recently, I have not been able to reconcile the two. Finally the missing piece was revealed to me just a few months ago and since that time my income has increased to 6 times what it was. It’s really quite simple and yet profound at the same time.” Michelle Lee, CH***

***Michelle Lee, CH is the founder and owner of Athena Rising Now. A program dedicated to freeing women and teen girls from ancient cultural messaging of inadequacy to become the leaders they were born meant to be. Michelle is an intuitive, Emotional Freedom Technique (EFT) practitioner, certified hypnotherapist with more than 13 years of experience working with women, helping them to discover and release their subconscious agendas so that they may fully express their highest potential. Michelle is the author of “Women: From Profit to Power: Your Guide to Claiming YOUR Worth” and of “Fall in Love...with your Self” hypnotic journey CD. Michelle is also the creator of Deeper EFT with Michelle Lee™ an EFT Training and Mentoring program for new and seasoned EFT practitioners to exponentially increase the results their client’s experience. Michelle works with clients face-to-face as well as around the globe via telephone and Skype.***

***Creator and facilitator of “EFT your path to Self-Love” an 8 hour workshop outlining the emotions that prohibit a healthy sense of self-love and how to tap through them.***

***Creator and facilitator of "The Spirit of Money Mastery" 6-week intensive program designed to reveal and release your money beliefs that keep you stuck in lack and limitation.***

***Note from Debbi Combs – ASPH Secretary***

***Kathy Nightingale's mother died in mid-December. Kathy was scheduled to speak at our January 2015 meeting on dementia and Alzheimer's. Please send Kathy and her loved ones your healing thoughts. Hopefully, ASPH will be able to have Kathy speak on dementia and Alzheimer's in the near future.***

***Taking Kathy's teaching slot for January is Michelle Lee. Thank you very much Michelle for stepping in with a topic most entrepreneurs (which most ASPH members are) often have a concern about, earning enough money. Hypnotists/hypnotherapists have the added distinction of working with many clients who also need help with their thoughts and emotions about money.***

***Our January 6<sup>th</sup> meeting should be of interest and very fascinating for many of you. I hope to see you then.***

***Leo Gagnon, Ph.D., ChT. – Beloved Friend & Master Hypnotherapist***

*The Psychology Department at Springfield College in Springfield, Massachusetts first drew Leo Gagnon's interest to the incredible potential of the mind. Much of his undergraduate work in psychology and sociology was later accomplished at Glendale College and Arizona State University. Years later the American Institute of Hypnotherapy awarded him his doctorate. AIH is a California State authorized school offering extensive specialized non-traditional hypnotherapy education.*

*He was a member of prestigious associations such as the National Board of Hypnotic Anaesthesiology, the National Guild of Hypnotists and the International Association for Counselors and Therapists. He was President Emeritus of the Arizona Society for Professional Hypnosis, serving as President for three years.*

*After completing his seven-year tour of the country, Leo settled his home and office in Prescott, Arizona. He maintained an active practice in Prescott and attracted individuals to his office from all of Northern Arizona and Yavapai County. Because so many people came to know of his amazing skills during his travels, he still attracted hundreds of referrals from across the United States. Working with his national clientele by telephone, he achieved for them the same great results as those who came to his office.*

*Leo believed that answers to specific problems lay "in the way we each create our thoughts, how we store our memories and how we use those thoughts in creating our reality."*

*Leo's book, available on Amazon.com, is titled *Be Happy: How to Stop the Pain and Live Happily Ever After* (International Network Publishers, 1995).*

### **MESSAGE FROM KATE ELLIS**

Dear Esteemed members of the ASPH,

As many of you are aware, I have created a professional lending library for the ASPH. Recently, going through a donation, I came across Pattie Freeman's book, and a couple other ASPH members and thought it would be an extra special touch to have a section of the library dedicated to those who have become authors, such as Lew Heller, and Sam Sterk as of recent.

I am asking any member, current, past to consider contributing a signed copy of your book (s). Please contact me with your considerations. Now, it does not have to be a book on hypnosis per se, this section of the library is special celebrating our member's accomplishments within and beyond hypnosis.

I am seeking books on hypnosis and related fields, as well as audio/video/dvd/cd learning tools. Please let me know if you or any of our other colleagues would like to donate their beloved materials. I am particularly interested in Elman books and NGH Conference CD's, I would appreciate anyone who has previous conference CD's to perhaps even donate copies... just a thought.

I look forward to hearing from you. If you have any questions, please feel free to call or write. I am available from 11-11 every day.

Additionally, you can bring your donation to the next meeting to make it easy. I suggest placing a book plate with your name as well with your own book for posterity as well as any other books you may like to contribute for the continuing education and enjoyment of our growing membership.

It will be ready this Spring exclusively for ASPH Members Only.
