PRESENTATION: Pain Management with Hypnosis

Pain relief with hypnosis is easy and amazingly quick! There are thousands of people right here in Phoenix and hundreds of thousands of people nationwide needlessly suffering from aches and pains because they don't know that relief is simply a case of mind over matter. This presentation will discuss the nature of pain from the perspective of both biology and psychology and offer a method of dealing with it.

BIO: Ted Frieband

After 20 years in the computer business, Ted felt the need to work more directly with people so he enrolled in the hypnotherapy program at the Southwest Institute of Healing Arts and became certified by the American Board of Hypnotherapy. He is also a Smoking Cessation Specialist as certified by the International Hypnosis Federation and the North American Academy of Hypnosis. Ted is very happy to be making his mark on the world one client at a time.

ASPH August 2018 President's address

On July 9th, the ASPH board met to consider changes in our by-laws. The board arrived at a number of motions which will be mentioned in our August meeting. In turn, these amendments will need to be put for an affirmative 2/3 vote to the entire membership. These amendments will be mentioned in the August ASPH meeting but decided upon by a 2/3 membership vote.

We still need someone to handle the videotaping on a monthly basis. If you're interested, please contact me and I will arrange some video training with our esteemed Mr. David Rodriguez.

Ms. Karyn Peck is handling our membership drive by reconnecting with previous ASPH members and inviting them back into our wonderful fellowship. In July we had two presenters who knocked it out of the ball park. Their presentations were stellar. Dr. Ellie Wright discussed human stress, its impact on our bodies and Hypnotic Interventions. David Rodriguez, Ph.D., discussed Transpersonal Hypnotherapy. Just think, if you went privately to experience such high caliber speakers you'd have to shell out a considerable amount of money. But when you're part of our ASPH fellowship, such high caliber speakers are free. In addition, we have a holiday party where your dinner is paid by your yearly membership dues. If you have suspended your ASPH membership, please reconsider and join us. If you're not yet an ASPH member, you can visit us a couple of times and then simply join. Please consider bringing friends who are Hypnotists and/or training to be Hypnotists.

We have had an ongoing issue in having continuous videotaping coverage. Thank you to individuals like, Patrick Powers and David Rodriguez for stepping in to help us. But we do need an ongoing technical person to do our videotaping. I have discussed this with David Rodriguez and he is willing to do Videotaping training. To that end, he's agreed to meet with those interested in helping us at 5:30 on September 4th in Room 9 at the Granite Reef Senior Center. That's the date of our meeting in September, 2018. Please call him in advance to let him know of your interest. He can best be reached at: 602-574-5242. This promises to be an opportunity to learn videotaping techniques.

Another issue the board began to consider is the area of Harm to Self or others and what constitutes mandatory reporting.

If anyone wants to be an upcoming speaker, please contact Mr. Ted Frieband, our VP.

I always welcome suggestions to improve ASPH viability.

I thank you for your attention to this matter.

Sam Sterk

Advanced Hypnosis Course by Wally Muller

I will be running a basic through advanced hypnosis course in Calgary, Sept. 16 to 22. With the US dollar so much higher than the Canadian dollar it would be very reasonable for anyone wanting to learn all the facets of what I talked about at the presentation.

Since just about everyone at the Arizona society is already trained in hypnosis I thought I would make this offer.

Attention; Trained Hypnotists, Consulting Hypnotists and Hypnotherapists

For those of you that have already trained and are certified in hypnosis and since I will be running a 7 day, basic through advanced hypnosis course in Calgary, Sept. 16 to 22 I am making a special offer.

With the US dollar so much higher than the Canadian dollar it would be very reasonable for anyone wanting to learn all the facets of advanced regression and higher mind hypnotherapy.

What I am offering is the chance to take the advanced regression and higher mind on the last 5 days of the 7 day course. The cost would be \$1200.00 US dollars.

The weather is beautiful in Calgary in September and world famous tourist destination, Banff, Alberta, and the mountains are just an hour and a half away.
