PRESENTER: Martin Castor Peterson

Dream Hypnosis for Kids is a special tool designed especially for children.

The “open window” for trance work with kids is a lot smaller than with adults, but so much easier to deal with.

Children still have their great imagination where everything is possible. You can make rapid change work through imagination, inspiration, and motivation. Kids are even animated and play it out live during the sessions, whereas adults are usually holding back.

With this unique way, I found a way to deal with the most common issues that kids face today, through storytelling and dream traveling. A context that any child can integrate immediately and easily.

There are also important ethical concerns regarding parents and how the session is structured.

BIO: MARTIN CASTOR - PROFESSIONAL EXPERIENCE

Martin Castor is a unique experience - and he stands apart from other Scandinavians. He is the only mentalism and hypnosis phenomenon in Scandinavia who has mastered both the art of comedy stage hypnosis and modern mentalism in every aspect. He has performed hundreds of shows in Denmark and 16 countries around the world, performing everywhere from national television to corporations and schools, universities, public events and commercial showcases.

Praised for extreme accuracy, brilliant humor and great showmanship, Martin is one of the most amazing stage performers of any kind working today. Besides his other TV appearances, he was the hypnosis creator and consultant on the award-winning Denmark TV show “Messing With Your Mind”. He worked with host Jan Hellestøe through all 4 seasons, training Jan in hypnosis.

More recently, Martin was awarded the Golden Buzzer in Denmark's version of "America's Got Talent", even impressing the Danish version of Simon Cowell, Jarl Friis-Mikkelsen. He has also performed as a headliner on main stages in Las Vegas - the first ever Danish hypnotist to do so. And in 2018, he is already scheduled to perform hypnosis and mentalism both in Los Angeles and Las Vegas.

A lot of things about hypnosis and mentalism have changed and evolved through the years. Martin Castor is ahead of the curve as one of the most booked performers in Scandinavia today. Also performing all over the world, and has hypnotized more than 150,000 people. He is the only Scandinavian hypnotist and mentalist who performs on an international scale. Make no mistake: Martin is NOT a magician by background or training. Instead, he's a highly trained and deeply experienced expert in body language and hypnosis as well as physiological and psychological manipulation. He practices the art of confusing his audiences on several levels, unconsciously influencing them - while adding in a big dose of humor to keep the atmosphere of his stage shows light and fun.

Additionally, Martin is one of the best-qualified certified hypnosis instructors in Europe and a popular keynote speaker at international hypnosis conferences. With great respect for old-school variety

mentalists and magicians, he raises the bar tremendously, providing his modern audiences with brilliant, compelling entertainment. Martin has received two awards for his work in the field of hypnosis, and he owns companies in both Denmark and the United States. Because of his many years in the field, he knows what works and what doesn't - and blends his passion for professionalism and entertainment value seamlessly.

In 2016, Martin was voted one of the 12 best in the world at the world's largest hypnosis conference. That means there's no doubt that he's is an A-lister for professional performances. His communication techniques have become some of the best-selling offerings online, and he is more sought-after than ever before for speaking and performing because of his brave and focused stage presence

ASPH is an amazing fellowship of like-minded Hypnotists that meet once a month at the Granite Reef Senior Center in Scottsdale. There, we hear a new presenter every month, ask questions and enjoy socializing and networking with one another. Please consider making it your business to expand your horizons and your knowledge by attending our monthly meetings. A larger turnout is very meaningful to our monthly presenters who tirelessly give of their professional time, both in their presentation preparations as well as in their actual ASPH talk. Please consider bringing a friend who is a hypnotist to our meeting. We provide CEU's simply for attending.

Last month (May 7th, 2019), On May 7th, ASPH was proud to have Mr. Bill Thomason, Executive Coach and Master NLP Trainer. His topic is:

Modeling Excellent Behavior-The Core Protocol of NLP.

In June our presenter will be Mr. Martin Castor Peterson. Please check out the ASPH Newsletter for specific content that Mr. Peterson will cover.

Ms. Karyn Peck has volunteered to kick start a membership expansion committee. If anyone is interested in helping her out please call her at 1-928 533-1628 at her Prescott location. We are interested in growing our membership. How about if you bring another fellow Hypnotist and/or a student Hypnotist to our meetings? Any suggestions about who we should consider contacting to expand our ASPH organization?

I've added that in the last 15-20 minutes of every ASPH meeting we can have a case discussion, leaving out any of the demographic details.

Thank you
